Subject: Last minute comment on Warriors/Mission Bay project

Dear Hilde Myall,
I'd like to add a last minute comment/concern for the development of the Warriors arena in the Mission Bay Area. I'm sorry this is last minute but I just heard on the news that today is the last day for comments.
Recently I was notified that Kaiser Permanente will be moving offices in the Mission Bay Area early 2016 and my doctor and my elderly mother's doctor will be located there. So yes, I'm concerned about traffic especially on game days. Common sense, I can always check before a game day but I'm not a basketball fan. And in case of urgent care appointments, I wouldn't want to be stuck in traffic.
So, I just hope the necessary steps will take place concerning better flow of automobile traffic in the area around the UC hospital and the incoming Kaiser Permanente medical offices.
Thank you letting express my concern and thank you for your time and attention to this matter.
Sincerely,
Marian Dalere
