We would like to arrange a meeting, preferably for this Tuesday (can be conference call) to discuss requirements for updating AB 900 Administrative Record (AR) as we move forward, including agreeing on a protocol for regularly providing City/sponsor email correspondence to add to the AR.

I will be sending out a Doodle meeting availability request to everyone shortly. We ideally would like to arrange this meeting for tomorrow, as this Wednesday, there are multiple conflicts.

I am including two additional GSW team members in this email (Brian Crossman – City Attorney's office; and Sally Oerth – representing OCII)
