Terrific, I'll get those invites out this afternoon. Thanks, Sally.

One other meeting we'd like to schedule is for a conversation with you and Pedro to align on the appropriate next steps for the BC/SD packages that we submitted in mid-June and now have completeness comments back from Pedro on. The threshold question is whether the packages should be updated now or in the Fall immediately prior to Commission action. Do you have time next Wednesday (July 15) between 10:30am-12:30pm to discuss? We could probably use an hour, but only the first portion would require your participation to align on approach, and then Kate and I can spend the remaining time with Pedro clarifying his comments.

Thanks,
Clarke
