Hi Chris,
We did unearth the first reference. The exhibits do not exactly match up but appear mostly to be there.

We are still excavating (from Iron Mountain) for the geotech report.

Cheers,

Kim

Hi Kim,
Can you add one more document to the list?

Geotechnical Investigation of the Mission Bay Project Area, Treadwell & Rollo, 1995.

Thanks!

Chris,
I am checking with our Iron Mountain storage files. I would guess this is a set of 6 graphics along with a transmittal memo. I will keep you posted.

Hi Kim,
I'm trying to find a letter from Lori Simpson to EIP Associates dated March 12, 1997. The letter is referenced in the 1998 Subsequent EIR for the Mission Bay Redevelopment Plan in Note #16 on page V.H.21 as: "Treadwell & Rollo, Inc., Environmental and Geotechnical Consultants, Lori A. Simpson, PE, letter to EIP Associates, March 12, 1997, 1 page accompanied by 6 figures."

We haven't been able to find this document in either the Planning Department's or OCII's (the former Redevelopment Agency) files. Joy Navarrete thought you might be able to help. Let me know if you have any ideas.
Thanks!

Hi Chris,
I believe you left me a voice message yesterday it was mostly garble but Chris Ker and documents and Warrriors was detectable.

I am guessing that you need me to pull some Atkins documents for you related to Warriors litigation.

Let me know how I can help you out!

Kim
