Pedro, David, and Adam,

GSW is pleased to provide our completed BC/SD packages (folder linked below), which summarize and detail the design presented to OCII and Planning commissioners last month. Please review the books and let us know if you have any questions. As discussed previously, we're prepared to update and finalize these packages as needed prior to commissioners' formal approval of them this fall.

We look forward to launching DD-related conversations in the near future.

Thank you!
Kate
