Hello Joy: Am writing to state that I have directed your questions regarding CEQA clearance for the parking lot south of Crane Cove park at 19th and Illinois to Diane, David and Mark. To follow-up on your voice mail, am also directing your question regarding CEQA for the parking lot at Pier 80 next to the Western Pacific site and Cesar Chavez Street to Diane, David and Mark because am not able to find project files on either at this time.

Hi Kanya-
Do you have any information on the proposed 250-space parking lot just south of the proposed Crane Cove Park at 19th and Illinois? Was there CEQA clearance for the lot? Was it covered with Crane Cove Park?

Just a question that came up.

Thanks,
Joy
