Subject: GSW Event Center links and introductory text - to be sent tomorrow

Hi Ferry, Hi Martin,

Today we're finalizing the introductory text and the links that will go on the OCII and Planning sites tomorrow. The Mayor's Office has informed us that the links can't go up until after 11 am tomorrow. I will send you the text and links together tomorrow around 11. There is no requirement that the material be posted right at 11 (Martin, I think you are not in until the afternoon, and that's fine) but the material must be up on your respective sites before 4.

Please let me know if you have any questions.

Thank you,

Karen Lancelle
