Greetings,

Keep the Warriors in Oakland. This is an incredibly ill conceived plan and will result in traffic beyond belief! You propose a few traffic cops to help with the congestion and a few hundred parking spaces?

Surely you must be insane! Have you been in that neighborhood now with the gridlock? No point in directing traffic in complete gridlock.

DO NOT BUILD IT IN SF!!! Please! Think of the families and the people that live there!

Alaina Fischer

15 year resident of Potrero Hill
