Subject: MTA Operator Restroom Access
Attachments: 082715 MTA restroom paths of travel.pdf

William and Kerstin:

Attached is a revised proposal for dedicated MTA operator restroom access, provided at no cost to the SFMTA. With the majority of special event shuttles staging on 16th street or Illinois Street the Warriors are providing access via a staff entrance to a private restroom immediately adjacent to the bus loading zone. This entrance will be staffed by a Warriors ambassador or private security guard and will not otherwise have general public access. For those buses staging on 3rd Street headed for the Transbay and Ferry terminals, operators would be guided to the existing restroom at 555 Mission Bay Blvd which is an approximately 5 minute roundtrip walk from the staging area. See attached figures.

Let me know if this will work for your operators and I will confirm with the Warriors and their design team.

Best,
