Corinne:

Welcome back from Maine. Let's talk soon about the October MBCAC meeting, whether we want to calendar an update on the arena and if so what we focus on.

See attached for a current copy of the LHAP as presented to the Dogpatch and Potrero neighborhoods. As you note we've also shared this with the ENWC and Biotech Roundtable and will discuss it at next week's MBBTCC.

I'll call you shortly.

Best,

Adam

Thanks, Corinne.

Kim can help ensure we add the names for Greg, Elsa and Monica. I might have used a still-faulty email list from August when I sent out the minutes: Kim keeps the master list tidy and will no doubt help me stay correct.

Adam presented the L/HAP but had no handout: it was still a rough set of principles. However, he (and I) presented to a few community groups since and UCSF and the Warriors have iteratively refined it to the point that Adam has a fairly current, accurate set of diagrams. He'd probably happily share them -- even though they are weeks away from being fully cleaned up and reflecting latest inputs. Still, I cc him to invite his weigh-in.

Peter, Thanks for the minutes. Sorry I missed the August meeting as well as Adam's presentation at the Eastern Neighborhoods Coalition. Was there a handout for the draft local access plan I could see?

When I replied to your question about meeting dates, messages to Greg Sedlock, Elsa Lamb (Port) and Monica Georgopolos bounced back. Could you check the addresses you have for them and make sure they know about eh 9/24 meeting?

Looking forward to seeing you.

All:

I apologize for the relative sloppiness of these minutes after the high stand Kim Walton set, but we weren't graced with Kim's helpful presence at the last meetingand I promised to get these out today.

Note that we will be meeting **Sept 24, 11 am**. I appeal to **Leslie Gelb** again for his valued help securing the S Beach Yacht Club for that date – if he hasn't already done so.

Kim and I will send out an agenda next week. We know the "Local/Hospital Access Plan " has been requested , and that will be a main feature.

Have a good weekend,

Subject: BMBTCC Meeting Sept 24

All:

I am hearing confusion about the date of the next Ballpark Committee meeting. I apologize if I have generated this!

When we met in August, I pointed out I am unavailable Sept 17, and proposed meeting Sept 24.

I realize those not attending didn't hear this, and the minutes of that meeting are only being sent out tonight.

I am open to your strong opinion one way or another:

Sept 24, 11 am, facilitated by me.

Included discussion of Warriors/UCSF/Local Access Plan for "dual event" week nights,

Or

Sept 17, 11 am, without me. Same topic

I'm voting to stay w Sept 24. Also need confirmation about location: South Beach Yacht Club is terrific. Leslie: again, I'm sorry if I wasn't clear about Sept 24 ... Hope that works.

We also need to designate a Chair for this committee: I am challenged by being both facilitator and agenda-setter. Let's add that to the agenda.

Look for more complete summary of meeting minutes soon.
