Thanks, Mike. We'll be discussing the South St driveway details during Thursday's 9:30-11am design review meeting, so it'd be great if we could cover this then too.

Mike,

Thanks for joining last week's meeting. You'd mentioned that you wanted to take a closer look at the lane widths along South St., particularly for vehicles turning westbound off of TFB onto South St. I'm attaching the latest striping plan for your review. Please let us know what revisions you/MTA recommend to the lane widths.

Thanks,  
Clarke
