Ms. Bohee –

The purpose of this email is to advise you that should the Board of Supervisors not adopt the Fund Ordinance related to the above Project, the SFMTA will make available the funds under its sole discretion that are included in the Project Expenditure Plan to pay for mitigation measures M-TR-6 and M-TR-13 in order to reduce the impacts identified in the FSEIR and the MMRP to a less than significant level.

Please let me know if you have any questions.
